

REMARKS

On February 2, 2010, a telephone conference was held between Thomas M. Galgano, Thomas A. Gallagher, and Supervisory Patent Examiner John G. Weiss who indicated that claim 1 and its dependents would be allowed if rewritten to include claim 2. Claim 1 has been so amended. Examiner Weiss also indicated that independent claim 21 would also be allowable if amended to include a processor and the limitation of claim 22. Claim 21 has so been amended.

In light of all of the above, it is submitted that all of the claims are in order for allowance, and prompt allowance is earnestly requested. Should any issues remain outstanding, the Examiner is invited to call the undersigned attorney of record so that the case may proceed expeditiously to allowance.

Respectfully submitted,

THOMAS BERGER
